Crown Chapter 26

We are currently looking for  
Team Translators

We need members Lots and lots of members All  
positions are recruiting. Especially translators. Most  
don't know that, but i have lots of projects this group  
can do, assuming that some translators join. Not just  
C>E either, We need some D>E and C>E as well.  
Translating from one language to another and then to  
another looks so much meaning. Its not worth it.  
Anyways, Thats what i have to say about that. Also,  
if you join, you get free cookies. So please, join.

I know you were pretending to be relaxed and you had already secured an escape route.

You may deceive people who don't know you, but not me!

Right. I was

— excluded from the mission because of my previous failure.

If I had known of you, I wouldn't have lost

What's the meaning of that?

How much does the little girl pay you?

So the trap on our escape route was from you!

Clever guy!

We would be in serious trouble now if the queen hadn't fired him.

Pibayuna,

conspire to  
kill the  
sister of a  
mercenary?

Don't  
talk  
nonsense!

But I  
will not  
allow it.

I will  
protect  
my sister!  
No matter  
the cost!
